ABOUT YOUR TAXES

MY BBD VAULT

ARE YOU TAX READY?

What does **TAX READY** mean?

In the effort to make your tax filing process as easy as possible, we want to make sure you have what is needed to prepare your taxes before you connect with us to start the process – that would mean you are “Tax Ready”. To be considerate of your time and meet your expectations, we need to make sure you have gathered what we need to complete your tax returns for 2023.

Why do we want to know if you are **TAX READY**?

Prior to scheduling any meeting with BBD, we want to make sure you have everything ready to go so we can be as efficient as possible in completing your taxes. We ask you to verify and review **ALL** information on this list prior to uploading your documents and/or meeting with our staff to begin the preparation process.
